

*You can shed tears that he is gone  
or you can smile because he has lived.*

*You can close your eyes and pray that he'll come back,  
or you can open your eyes and see all he's left.*

*Your heart can be empty because you can't see him  
or you can be full of the love you shared.*

*You can turn your back on tomorrow and live yesterday  
or you can be happy for tomorrow because of yesterday.*

*You can remember him and only that he's gone  
or you can cherish his memory and let it live on.*

*You can cry and close your mind, be empty  
and turn your back,  
or you can do what he'd want: smile, open your eyes,  
love and go on.*
