

Nick's 60 second sermon
on Acts 16: 16-24
and Persecution

Paul got the jailer saved and his whole household bathed –
what a water wash-up rave!
Aint it great, that's the state
we want all of everyone to be -
jiving with Jesus in eternity.

But many still hate the name of the God-Son, God-Man Jesus.
They're jumpin' with jealousy:
why's Jesus the King with all the praise,
when I'm here with my everythin'!
They wanna believe the Lord aint for real,
that life's an accident from an evolution field.

O boy are they way off the light.
Blind in their eyes. Deaf in their ears.
Heading downhill to a super-hot tub,
when they could be rising up to a new life of love.

What's wrong with them boys!
What's bad with them girls!
Get turnin' to Jesus an' come into livin'.
Why be so uptightly, mouth-moanin', brother-hatin' -
as if you owe a life to Satan!

Get turnin' to Jesus an' come into
livin', love-thrillin',
peace-bathin',
joy-jiving with Jesus.
Lord, I pray, don't delay
come save them boys,
come save them today.
